

ENVIRONMENTAL HEALTH AND SAFETY POLICY

Eagle Foods believes in the importance of each individual employee and gives top priority to maintaining a safe working environment. Management is committed to providing leadership and the necessary resources to maintain our environment and a safe workplace.

All management, supervisors and employee accept mutual responsibility to operate safely.

Eagle Foods has a goal to have an industry leading Environmental, Health & Safety program. Our mission is to continuously improve on this goal while addressing associated areas of environmental, health and safety compliance.
